

COVID-19 Coverage

Your policy does not provide cover for Disruption/cancellation of your holiday if the UK Government/Foreign, Commonwealth & Development Office (FCDO) formally advises against “**all travel**” or “**all but essential travel**” to your specific holiday destination after the date on which you book.

To confirm Chubb travel insurance covers you in these circumstances: -

- If you fall ill from COVID-19 in the UK before you start your holiday, and it's formally diagnosed by a doctor, and results in you having to cancel your holiday
- If you fall ill during your holiday overseas due to COVID-19 and you require medical assistance or if it becomes medically necessary to cut short your holiday and return home.

In the event of a medical emergency abroad, the Travel Insurance Policy entitles you to contact Chubb Assistance who will assist you in accessing the most appropriate medical treatment and will, subject to the terms and conditions of the policy, guarantee payment of your medical bills.
